Good Evening Greenwood Families,

As communicated earlier, Newport and Greenwood were made aware this afternoon of a high school soccer player that has tested positive for COVID-19. Our first thoughts are for the health and safety of this person as well as the welfare of all students in both districts. District officials have been in consistent contact with the Pennsylvania Department of Health (DOH) over the course of the last several hours. Upon investigation and analysis of the variables associated with the situation, DOH and district officials have shared quarantine expectations for those involved and that schools CAN BE in session tomorrow. Thus, schools will be open for normal operations tomorrow. Thanks for your patience as we continue to work through each individual situation that may arise. Please continue to take every precaution to prevent the spread of COVID-19. Greenwood being afforded the opportunity to educate students in person is depending on our collective effort.

Sincerely,

Nicholas Guarente, Ed.D.
Superintendent
