October 9, 2020

Hello Greenwood Families,

A sincere THANK YOU for your patience and resolve as we navigate these times! This is an update to the message sent last evening. The most important element in each of these situations is the health of our students and the overall well-being of all staff and students in both districts. Today, we learned that a second Newport soccer player has tested positive for COVID-19. We have been in contact with this family and wish each member of the household well. Preventative quarantines were in place today and future quarantine information will be shared with all involved. Contact tracing continues through the Pennsylvania Department of Health and our district has been in touch with any districts that we competed against that have the potential to be impacted. This situation will be monitored over the weekend and additional information will be shared as necessary and appropriate.

Reminder: Monday is a teacher in-service day...NO school for students. Enjoy your weekend.

Sincerely,

Nicholas Guarente, Ed.D.
